Haunted Vacations, Ghost, History  
and Bigfoot Adventure Tours

Daytime and  
evening tours  
operate year round.

Our haunted historic tours are perfect for  
couples, honeymoons, families with children,  
and charter groups. Host your next birthday  
party, or anniversary celebration with us,  
or entertain visiting guests. Our "Spook and  
Save" vacation planning packages combine our  
tours with other activities. Enjoy discounts  
on area hotels, inns, bed and breakfasts,  
historic caves, area museums, grist mills,  
whitewater rafting, plays, gem mining,  
Civil War site tours, and much more...

Our guests have experienced both the  
unexpected and the unexplained while  
touring the area's most historic  
locations. It's not unusual for our  
guests to be touched by an unseen hand,  
hear voices, see the shades pulled back,  
and record strange photographs so don't  
forget to bring your camera! As you learn  
the real history of our region, your  
Certified Ghost Hunting Guide will recount  
the results of recent investigations to  
give you a spine-tingling "feel" for who  
is haunting these locations and  
why they are here...
